## LIVE NEWS FROM THE TWIN CITIES

### MANAGERS' MEETING.

H. E. Jones, United States Employment agent at East Chicago, who is managing the banquet of the Employment Managers at East Chicago this evening, has received a number of answers to the invitations which were sent out and a good attendance is assured for the meeting.

The managers will discuss their problems, complete an organization and eat.

### MAY DELAY ERECTION.

Although plans and specifications for the building of a new church to house the First Baptist Congregation of East Chicago have already been drawn and accepted there is a possibility that the church may not be erected during this summer as contemplated. The change in costs of labor and building materials have added to the estimated cost of the building until now the structure when complete will cost \$25,000.

In order to go ahead with the work it is necessary that \$2,000 be raised before the end of June and the church is making a special effort to raise this amount. The effort has been endorsed by a number of influential citizens and it is hoped that the public will come to the aid of this necessary sum.

The church building is to be of brick and will be erected upon the lot purchased last year which is located at the corner of 149th street and McCook avenue. Donations will be received by Rev. W. E. Frazier, 419 Vernon avenue.

term. The meeting was held at the home of Miss Mary A. Davis in North Magoun ave. The result of placing Miss Annette Specter who has served the department most efficiently for the past two years on a third year basis must be considered at the next day of the transaction which must be called soon as this conflicts with the policy of the club, the ruling that no officer shall serve in a like capacity for more than two terms. Miss Specter was absent the evening of the meeting and did not learn until the next day of the transaction which she must necessarily decline but intends lending her ability and time just the same to the departmental efforts. There has been no one suggested as yet to fill Miss Specter's place. The other officers are Miss Mary A. Davis, vice chairman, Mrs. Lelia Hascall, secretary. The program committee comprise Miss Specter as chairman, and the Mesdames A. A. Ross and Harry E. Bloomberg. Mrs. Frank Dickson is a representative of the membership committee. The closing social feature of the year's closing of the work will be a housewarming musical in which the music department members will be hostesses to the members of the general club and other invited guests aside from the club roster will be members and their wives and sweethearts of the East Chicago Club where the affair is scheduled for the evening of May 24th. Talent has been chosen from the professional field of Chicago and will include Prof. Reimers, an adept violin player and a Miss Gordon, an operatic contralto vocalist. Little Sylvia Wexler, daughter of the Wexler family who formerly lived in Indiana Harbor, and who has attained considerable public attention for her spritful dancing will also appear in costume that evening and in some new vogue steps. Mrs. George H. Summers, Mrs. Harry E. Bloomberg, Mrs. Lelia Hascall, Mrs. Harvey Gilma and Miss Annette Specter comprise the committee who have the arrangements in hand for that particular evening. The affair is announced as most informal while there may be a deviation from this rule in the younger set who will attend, the choice of the costume to be worn will be relegated to the individual selection of the wearer. It is the one event of the season anticipated in musical circles attractive of great attendance and enthusiasm.

The Ladies Auxiliary to the Ancient Order of Hibernians of this city entertained the public at cards last evening in the auditorium of St. Mary's school. There were about twenty tables seating the guests and the awards were announced to Miss Elizabeth DeLor, Mrs. Edward King, Mrs. M. Kruzan, and Mrs. Peter Whelan, Jr. The Messrs. M. McLaughlin, Maurice Quinn, Steiner and James Blake scored in the gentlemen's prizes. There was a committee appointed to serve refreshments and a social hour followed. The party was voted a success in both a financial and affording pleasure to the many that attended.
